The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

# Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2025/26

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments **must** be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2026
- The Annual Governance Statement (Section 1) **must** be approved before the Accounting Statements (Section 2) and evidenced by the agenda or minute references, even where approved on the same day.
- The Responsible Financial Officer (RFO) **must** certify the accounts (Section 2) before they are presented to the authority for approval. The authority **must** in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period which **must** be a single period of 30 working days for inspection ( this excludes weekends and public holidays) which **must** include the first 10 working days of July.
- **You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor **must** be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- Additional costs may be incurred if additional audit work is required.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2025) equals the balance brought forward in the current year (Box 1 of 2026).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights which **must** be a single period of 30 working days for inspection (this excludes weekends and public holidays) which **must** include the first 10 working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2026**

## EXPLANATION OF 'NO' RESPONSE ON ANNUAL GOVERNANCE STATEMENT 2025 2026

Name of smaller authority: \_\_\_\_\_ **ST ANDREWS PARISH COUNCIL** \_\_\_\_\_

County Area (local councils and parish meetings only): \_\_\_\_\_ **WILTSHIRE** \_\_\_\_\_

### **Assertion 1 – Financial Management**

#### **Reason for 'No' response:**

During the year, councillors did not regularly review or sign off bank reconciliations. In addition, budget setting was affected by incomplete prior-year financial information and the presence of a locum Clerk/RFO during the budget-setting period. As a result, financial monitoring and control procedures were not consistently applied throughout the year.

#### **Actions taken to address and prevent recurrence:**

A permanent Clerk/RFO is now in post. Regular reporting of bank reconciliations, income, and expenditure to Council has been introduced, with councillor review and formal approval recorded in minutes. Budget setting is now based on complete and up-to-date financial information, with improved in-year monitoring arrangements in place.

### **Assertion 2 – Internal Control**

#### **Reason for 'No' response:**

At the beginning of the year financial records and supporting documentation were not consistently maintained or kept up to date due to the absence of a permanent Clerk/RFO until June and reliance on interim arrangements. This resulted in gaps in record keeping and limited supporting evidence for some transactions and financial decisions.

#### **Actions taken to address and prevent recurrence:**

A permanent Clerk/RFO is now in post. Financial records are now being maintained on a regular and ongoing basis, with all income, expenditure, and supporting documentation being properly recorded and retained.

### **Assertion 4 – Exercise of public rights**

#### **Reason for 'No' response:**

The Council did not correctly set the period for the exercise of public rights during the year, meaning it did not fully comply with the statutory requirements regarding inspection of accounts.

#### **Actions taken to address and prevent recurrence:**

With a permanent Clerk/RFO in post, the Council will ensure the correct public rights notice is set each year and that the required documents are published on the website within the statutory timescales.

### **Assertion 10 – Website compliance**

#### **Reason for 'No' response:**

The Council did not have a compliant website in place during the year, and therefore statutory information was not consistently published online as required.

#### **Actions taken to address and prevent recurrence:**

The Council has engaged a professional website provider and the new website is nearing completion. Once live, it will be used to ensure all statutory documents and information are published and maintained in accordance with transparency requirements.

## INTERNAL AUDITOR'S ANNUAL REPORT

Year ended 31 March 2026

St Andrews Parish Council

### Objective Explanation

- D** The budget approved in Jan 2025 was insufficiently detailed and incomplete.
- K** The authority did not certify itself as exempt from limited assurance review in 2024/25
- L** The Council is not required to comply with the Transparency Code for Smaller Authorities 2014. It is best practice for the Council to comply with The Local Government Transparency Code 2015. The Council has not complied with the correct publication of the AGARS as noted below due to the delays in the preparation and approval of the 2023-24 and 2024--25 AGARs. The Council has published a Privacy Notice and Publication Scheme.
- M** The 2024-25 AGAR was not approved by the Council until October 2025. There for the Period for the Exercise of Public Rights did not include the first 10 workig days of July 2025 as required.
- O** The AGAR's for the last 5 years are not all on the Council's website. The Council is waiting for the new website to go live and currently the websiye does not meet the accessibility requirements and not all statutory information has been published online as required.
- P** The Council is not a sole managing trustee
